

BOBBY MARSHALL WINS GAME

St. Paul, Minn., Nov. 5.—Bobby Marshall, the former star end of the Minnesota eleven a few years ago, played with the Marines here last Sunday and put up his old style game, winning the game with a drop kick from the forty-yard line while the crowd held its breath. The climax came in the fourth period of the game, with only three minutes to play. Marshall twice before saved the game. Once in the first quarter, when the Laurels threatened to score, he broke through, spilling the quarter on the seven-yard line, causing him to fumble and one of the Marines to recover the ball. Bobby then booted the pigskin out of danger zone. In the second he intercepted a forward pass which would have resulted in a touchdown, running it back twenty-seven yards before being brought to a halt by a Laurell player.
