
Lamar Lundy Wins Honors At Purdue

LAFAYETTE, Ind. — Lamar Lundy became the first athlete in Purdue University history to win "most valuable player" awards in two sports — football and basketball.

A huge end on the gridiron and center on the cage court, Lundy received his awards recently at the 35th annual Lafayette Lions Club banquet.

His coaches, Jack Mollenkopf and Ray Eddy, both described Lundy as "one of the best athletes" they had ever seen.

Lundy is the pro football property of the Los Angeles Rams.
